Today when the case was called out, there was a general anguish amongst the lawyers that the table as was given on 09.11.2020 with regard to the deployment of the police personnel, was not being followed. We called Senior Superintendent of Police, Prayagraj so that he could explain the situation.

Senior Superintendent of Police, Prayagraj is present in the Court. He himself has stated that he would personally look into the matter of deployment of police personnel in the city and shall also see that sustained efforts are made to ensure that people do wear masks as a rule.

Put up this case again on 24.11.2020 at 03:30 PM.

When the case is taken up tomorrow, a definite information shall be given as to whether proper deployment of police personnel in the city has been made as per the list which has been provided to us.

Further, a general complaint amongst the Members of the Bar is that though the vaccine is being administered in other countries but somehow it is not being administered in our country. To verify this fact whether the vaccine is being administered in other countries, we direct the Central Government's counsel to help us to get in touch with Indian Council of Medical Research (ICMR) through Video Conferencing tomorrow.

The Senior Superintendent of Police, Prayagraj shall remain present tomorrow when the case is taken up.

Order Date :- 23.11.2020
