I.A. No. OF 2020

IN

C.S. (OS) No. 223 OF 2020

**IN THE MATTER OF:**

Daniel Snyder Through his SPA Holder ...Applicant/Plaintiff

Versus

Eleven Internet Services LLP & Ors. ....Defendants/Non-Applicants

**APPLICATION UNDER ORDER XXXIX RULE 2A CPC READ WITH SEC. 151 OF THE CODE OF CIVIL PROCEDURE, 1908 ARISING OUT OF BREACH AND DISOBEDIENCE OF THE INTERIM ORDER DATED 21.08.2020 BY THE DEFENDANTS.**

**MOST RESPECTFULLY SHOWETH:**

The Applicant/Plaintiff above-named respectfully submit as under:

1. That the Plaintiff is filing the present application under Order XXXIX Rule 2A read with Sec. 151 CPC in the instant suit bearing CS(OS) No. 223 of 2020, wherein the Plaintiff has sought for Permanent and Mandatory injunction, Prohibitory injunction and damages to the tune of Rs. 75 Crores on account of the illegal, *mala-fide*, malicious and vindictive acts of the Defendants and especially the acts of Defendant Nos. 1-4 in defaming the Plaintiff by way of publishing defamatory, derogatory and *libelous* posts on

its news website reliant upon false and/or wrong and/or manipulated and/or misleading facts/documents/information further allowing the uploading/sharing/dissemination of the impugned posts by the Defendants thereby causing defamation and massive loss of reputation to the Plaintiff.

2. That the Defendants had filed their Written Statements on 25<sup>th</sup> October and 29<sup>th</sup> October, albeit the same were returned under objections, and that this Hon'ble Court vide order dated 02.11.2020 was pleased to direct the Defendants to cure the said objections raised by the Ld. Registry of this Hon'ble Court and accordingly listed the instant suit on 18.01.2021.
3. That vide order dated 21.08.2020 passed by this Hon'ble Court in I.A. No. 7182 of 2020, this Hon'ble Court was pleased to grant an ad-interim injunction in favor of the Plaintiff and against the Defendants in terms of prayers (i) - (iv) further directing the Defendants to disclose the information qua the person/persons who had uploaded the impugned news articles/posts at the platform of the Defendants.
4. That the Defendants had published the impugned articles without any sort of verification and/or following the journalistic ethics

prevalent in the country, whereby maligning and tarnishing the image and reputation of the Plaintiff across the globe. It is submitted that the Defendants have published and disseminated the impugned articles at the behest of certain individuals and/or entities in exchange for certain monetary benefits, and are in cahoots with certain entities to launch a smear campaign against the Plaintiff who enjoys vast reputation across the globe.

5. That the Plaintiff had initiated certain actions in the United States of America against individuals and entities that the Plaintiff believes have evidence in support of the instant suit and the fact that certain parties have been engaged in furthering false and frivolous reporting whereby tarnishing the image and reputation of the Plaintiff, which actions seek discovery against numerous entities, including information pertaining to the Defendants herein. Multiple courts in the United States have entered orders allowing the applications for discovery filed by the Plaintiff. Documents pertaining to the discovery proceedings initiated by the Plaintiff in the United States of America are being filed along with the instant application and the Plaintiff craves leave of this Hon'ble Court to rely upon the contents of the same in furtherance of the instant suit.

It is submitted that the said documents clearly demonstrate that individuals acted to provide information about Plaintiff to media outlets in order to tarnish Plaintiff's reputation and business interests, thus making it abundantly clear that the apprehension of the Plaintiff with respect to the fact that the Defendants have acted in furtherance of their *mala fide* intentions in lieu of monetary benefits under instructions from certain individuals/entities is well-founded.

6. That the Plaintiff has also gained preliminary knowledge qua the fact that the Defendants are acting in collusion and connivance with certain entities wherein the said entities solicit clients on social media by promoting the services of the Defendants, and that the Defendants place stories on its website in exchange for monetary benefits. It is further submitted that the Defendants have adopted the said mode of operation in the instant case, whereby floating the impugned articles on the internet with a view to malign and tarnish the reputation and image of the Plaintiff across the globe.
7. That Plaintiff has also learnt that the Defendants have also been active in the world of online pornography and also the fact that the Defendants have a well-documented history and extensive ties with

certain entities that pay the Defendants to float articles on the internet in exchange for monetary benefits, as such it is imperative that the Defendants provide the basic subscription information and the sources from where they have procured the impugned articles, as also under who's instructions did the Defendants proceed with uploading/publishing the impugned articles. The conduct of the Defendants blatantly refusing to provide the said details clearly elucidates upon the *mala fide* of the Defendants as also the fact that the Defendants are hiding crucial information from this Hon'ble Court that is imperative and absolutely essential for the proper adjudication of the instant suit.

8. That despite there being a direction by this Hon'ble Court to the Defendants, directing them to disclose the basic subscription information with respect to the person(s) who had uploaded the impugned articles on the website, the Defendants have willfully withheld the said information, which clearly enunciates upon the fact that the Defendants have clearly disregarded and disrespected the order dated 21.08.2020 passed by this Hon'ble Court, thus making it abundantly clear that the Defendants are liable to be

strictly punished under the provisions of Order XXXIX Rule 2A CPC.

9. That the present application is being preferred *bona fide* and it would be just and equitable if the same is allowed in the interests of justice, equity and fair play.

### **PRAYER**

In view of the facts and circumstances as have been elucidated herein above, it is most humbly prayed that this Hon'ble Court may graciously be pleased to:

- i. Allow the present application thereby holding the Defendants guilty of breach/contempt of the order dated 21.08.2020 passed by this Hon'ble Court;
- ii. Pass an order whereby directing that the Defendants be prosecuted as per the law of the land for Contempt of Court;
- iii. Direct the Defendants to provide the information with respect to the person(s) who had uploaded the impugned articles/posts on the platform of the Defendants;
- iv. Direct the Defendants to disclose the sources from where the information forming part of the impugned articles/posts has been procured by the Defendants;

- v. Pass any such other further orders as this Hon'ble Court may deem fit and proper in the interests of justice.

AND FOR THIS ACT OF KINDNESS, THE APPLICANT AS IS DUTY BOUND SHALL EVER PRAY

8. According to the plaintiff the said news articles are false, frivolous and baseless and the said news articles are freely available in the public domain. It is stated that the act of publishing and making it available on public domain by the defendants has caused serious repercussion on the reputation of the plaintiff and had lowered the image of the plaintiff in the eyes of public.

9. To address this grievance, learned counsel for the plaintiff addressed an e-mail to learned counsel for the defendants on 22<sup>nd</sup> July, 2020, directing them to take down the impugned URL's/weblinks from their platform. A reply was received from Ms. Alysha Tharani on behalf of the defendants stating that the needful has already been done and no further action was required at the end of the defendants by e-mail dated 24<sup>th</sup> July, 2020.

10. According to the plaintiff the said request has not been complied with nor have the basic subscription details of the person/persons who is/are uploading the posts provided to the plaintiff.

11. The plaintiff has placed on record the impugned news articles/posts. It is the case of the plaintiff that after Ms. Alysha Tharani stated that the defendants have done the needful, the posts are still available upon a basic search on Bing.com as well as on the website of defendant No.2, hence the present suit has been filed.

12. The list of URL's/weblinks given by the plaintiff (page 73 of the documents) are as under:-

14. By the application under Order XXXIX Rule 1 & 2 CPC for *ad interim* injunction the plaintiff seeks the following reliefs:-

- i. *Pass an order granting ad-interim injunction in favour of the Plaintiff and against the Defendants whereby directing the Defendants to permanently take down, remove and/ or block/restrict access to the news articles/posts/URLs/weblinks mentioned in the list of documents attached with the present Plaint and/or other active news articles/posts//URLs/weblinks which contain or purport to contain, the defamatory impugned news/articles or part thereof posted on their respective websites, and also from all media in the control of the Defendants, including but not limited to meaww.com website, mobile application;*

- v. *Pass an ad-interim order directing the Defendants to disclose the source from where the information forming part of the impugned news articles/posts has been procured from by the Defendants, to the Plaintiff;*

15. Learned counsel for defendant Nos.1,2,3,4,5 and 6 enters appearance and states that the reliefs prayed in prayer (ii) and (v) have already been satisfied, which fact is denied by the learned counsel for the plaintiff. He further states that the reliefs sought in prayers (iii) and (iv) are in the nature of anticipated actions and hence no relief of this nature can be granted as an *ad interim* measure in terms of prayers (iii) and (iv).

16. Defendant No.7 in the plaint is the person who has been uploading the posts, whose basic subscription details have still not been provided.

17. Considering the averments in the plaint and the documents filed therewith, this Court is of the considered opinion that the plaintiff has made out a prima facie case against the defendants and if no ad interim injunction is granted, the plaintiff would suffer an irreparable loss. The balance of convenience also lies in favour of the plaintiff.

18. Consequently, till the next date of hearing, an ad interim injunction in favour of the plaintiff and against the defendant Nos.1 to 6 is granted in terms of prayers (i) to (iv) of Para 29 of the application.

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF VIRGINIA

In re Application of Daniel Snyder  
for an Order Directing Discovery from Mary  
Ellen Blair and Comstock Holding Companies,  
Inc. Pursuant to 28 U.S.C. § 1782

Misc. Action No. \_\_\_\_\_

**Ex Parte Petition for Assistance in Aid of  
a Foreign Proceeding Pursuant to  
28 U.S.C. § 1782**

Based upon the annexed Declaration of Rizwan A. Qureshi, Esq., dated August 10, 2020 (“Qureshi Decl.”), petitioner Daniel Snyder (“Mr. Snyder” or “Petitioner”) respectfully petitions this Court *ex parte* for an Order pursuant to 28 U.S.C. § 1782, compelling Mary Ellen Blair (“Blair”), an individual residing in this District, and Comstock Holding Companies, Inc. (“Comstock,” and together with Blair, “Respondents”), a corporation that does business within this District, to produce discovery for use in a proceeding currently pending in India.

**I. INTRODUCTION**

1. Petitioner seeks discovery from Respondents in aid of litigation currently pending in The High Court of Delhi at New Delhi (the “Indian Court”), bearing the caption *Daniel Snyder Through His SPA Holder vs. Eleven Internet Services LLP & Ors.*, filed August 7, 2020 (the “Indian Action”).

2. The Indian Action arises from the publication of a series of false and defamatory “news” articles targeting Petitioner on the MEA WorldWide website, located at www.meaww.com (“MEAWW”). The articles contain flagrantly false statements about Petitioner, including but not limited to accusing Petitioner of sexual misconduct, such as involvement in sex trafficking, and a purported affiliation with sexual predator Jeffrey Epstein.

*[Signature]*  
**TRUE COPY**

3. In the Indian Action, Petitioner asserts claims for defamation *per se* against the authors of these articles, as well as Eleven Internet Services LLP ("Eleven") which, upon information and belief, directed the publication of those false and defamatory articles on behalf of hidden third-party clients.

4. Upon information and belief, Blair – a disgruntled former employee of the Washington Football Team (the "Team"), of which Petitioner is the majority owner – is an active participant, for pay from third parties, and/or arising from personal animus, in the same campaign of defamation against Petitioner that led to the publication of the subject defamatory articles, including serving as a source for the false and libelous claims in said articles.

5. Blair further directly offered or alluded to the availability of bribes to current employees of the Team and the Petitioner, attempting to elicit further false statements about Petitioner to be published by MEAWW and other outlets.

6. Upon information and belief, Blair acted at the direction of, and/or with the financial support of, the same individual(s) who hired and directed Eleven and MEAWW to publish their defamatory articles about Petitioner.

7. Blair possesses highly relevant documents and information relating to, *inter alia*, the creation of the Defamatory Articles (as defined herein); the parties behind payments made in order to procure the posting of the Defamatory Articles; amounts and sources of bribes offered and/or paid to sources of information upon which the Defamatory Articles were based; and her own – as well as third parties' – efforts to discredit and damage the Petitioner and the Team. The *Subpoena Duces Tecum* and *Subpoena Ad Testificandum* that Petitioner seeks to serve on Blair are attached to the Qureshi Decl. as **Exhibit A** and **Exhibit B** respectively.

8. Moreover, upon information and belief, Blair's connection to the subject matter of the Indian Action, and the bribes she offered or alluded to, includes benefits she receives from a financial benefactor. Upon information and belief, among these benefits are long-running discounted rent, as well as more recent promotion to luxury accommodations, the payment for which would be beyond her apparent financial means. Petitioner therefore seeks discovery from Comstock – the owner of the luxury apartment buildings in which Blair has rented multiple units, known as the “BVLVD Reston Station” and “BLVD Loudon Station” complexes – that will shed light on Blair's motive for seeking to defame Petitioner, and the nature of her ties to other participants in the same scheme. The *Subpoena Duces Tecum* and *Subpoena Ad Testificandum* that Petitioner seeks to serve on Comstock are attached to the Qureshi Decl. as **Exhibit C** and **Exhibit D** respectively.

9. The documents and information in Respondents' possession, custody and/or control indisputably will aid the Indian Court in resolving Petitioner's defamation claims.

10. As discussed herein, Petitioner meets all the statutory criteria for the issuance of an order allowing the requested discovery. *See* 28 U.S.C. § 1782. Additionally, all the discretionary factors that this Court may consider favor granting this Petition. Petitioner thus respectfully requests that his Petition be granted. A proposed order is attached to the Qureshi Decl. at **Exhibit E**.

## II. PARTIES TO THIS PETITION

11. Petitioner Daniel Snyder is an individual who resides in Maryland. Mr. Snyder is the majority owner of the Team.

12. Respondent Mary Ellen Blair is an individual residing in this District, in Reston, Virginia. Blair was employed by the Team as an executive assistant between 2013 and 2017 before being terminated. Blair currently resides at a luxury apartment development owned by Comstock.

13. Respondent Comstock is a property management company that conducts business within this District. Specifically, Comstock manages the apartment building in Reston, Virginia, in which Blair currently lives and has rented several units.

### **III. JURISDICTION AND VENUE**

14. This Court has subject matter jurisdiction over this application under 28 U.S.C. §§ 1331 and 1782. This Court has personal jurisdiction over Respondents because they reside in the Commonwealth of Virginia and in this Judicial District.

15. Under 28 U.S.C. §§ 1391(c) and 1782, venue is proper in this Judicial District because Respondents reside in this District.

### **IV. THE INDIAN ACTION**

#### **A. Parties to the Indian Action**

16. Petitioner has asserted a claim for defamation *per se* in the Indian Court against Indian company Eleven, and its Indian subsidiary MEAWW, as well as Indian residents Anay Chowdhary ("Anay") and Nirmay Chowdhary ("Nirnay"), Prarthna Sakar ("Sakar") and Jyotsna Basotia ("Basotia").

#### **B. The MEAWW Website and the Defamatory Articles**

17. MEAWW purports to be, and holds itself out as, a news website. MEAWW publishes "news" stories regarding a broad variety of matters, including pop culture, law and government, and media and entertainment.

18. In reality, however, rather than being legitimate news sources and reporters, MEAWW intentionally sows disinformation at the behest of its undisclosed clients, including

governments and intelligence services, and often is hired by clients that are cloaked behind several layers of anonymous corporate entities. MEAWW thus acts as a hired agent of these unnamed entities to knowingly spread, among other things, false and defamatory statements concerning its clients' rivals.

19. MEAWW has worldwide reach, as it publishes globally via the internet and receives internet traffic from the United States, India, and many other countries around the world. It has touted itself as having more than 150 million unique users and more than 1 billion page views per month.

20. On or about July 16, 2020, MEAWW posted several false and wholly fabricated articles — written by Sakar and Basotia, and published at the direction of the Chowdhary brothers — regarding Petitioner, which falsely accuse him of a broad array of acts of criminal sexual misconduct including, among other things, involvement in sex trafficking, and affiliating with sexual predator Jeffrey Epstein (collectively, the “Defamatory Articles”).

21. These included “Washington Redskins owner Dan Snyder faces sex trafficking allegations; Internet says, ‘He was on Epstein’s list,” published at <https://meaww.com/washington-redskins-owner-dan-snyder-to-step-down-owing-to-sex-trafficking-allegations-fan-reaction> (the “First Defamatory Article”). The First Defamatory Article falsely states that Mr. Snyder “has found himself in trouble yet again and this time it’s allegedly for sex trafficking. The minority owners [of the Washington Football Team] are apparently looking at bringing him down citing inappropriate and unchaste behavior as one of the major reasons.” The First Defamatory Article went on to publish utterly baseless speculation regarding whether a then-forthcoming *Washington Post* article about the Washington Football Team “would be about [Snyder’s] alleged involvement in sex trafficking[.]” quoting several

anonymous posters from the internet forum Reddit.com, including baselessly quoting that “[Snyder] is getting [arrested] for sex trafficking. He was on [Jeffrey] Epstein’s list too.” *Id.*

22. MEAWW published a second article on July 16, 2020: “#RedskinsScandal: Will Dan Snyder rename Washington Redskins the ‘Epsteins’? Angry Internet screams ‘throw him out,’” published at <https://meaww.com/washington-redskins-dan-snyder-jeffrey-epstein-sexual-harrasment-sex-trafficking-scandal-name-change> (the “Second Defamatory Article,” and together with the First Defamatory Article, the “Defamatory Articles”). The Second Defamatory Article refers to, and repeats, the false allegations of the First Defamatory Article: namely, the false claims that Mr. Snyder is linked to sexual predator Jeffrey Epstein and that Mr. Snyder is or was involved in sexual misconduct, including sexual harassment and/or sex trafficking.

23. These blatantly false and wholly fabricated articles purport to be factual news stories, but were and are utterly untrue and have no legitimate journalistic basis whatsoever.

24. However, although MEAWW publicly named “the internet” as its source for the false and libelous statements in the Defamatory Articles, upon information and belief Blair either furnished, or procured for, the defendants in the Indian Action false and unsubstantiated claims regarding Mr. Snyder in connection with MEAWW’s drafting of the Defamatory Articles.

25. The statements that MEAWW published about Mr. Snyder are categorically false. Moreover, the defendants in the Indian Action published these defamatory, inflammatory statements about Mr. Snyder with deliberate intent to damage Mr. Snyder, or at best, complete disregard for their basis in fact.

26. Although MEAWW reluctantly removed the Defamatory Articles after Petitioner demanded their immediate removal, the damage to Mr. Snyder’s reputation had already been done.

27. Mr. Snyder's children and other family members, and numerous of Mr. Snyder's friends, neighbors, and business associates, were exposed to the Defamatory Articles, either by directly viewing the Defamatory Articles online or by receiving word of the Defamatory Articles. Consequently, Mr. Snyder's reputation and good standing has been severely harmed, and will continue to be harmed, by the Defamatory Articles, and the members of Mr. Snyder's family have been severely harmed due to the publication of these lies on behalf of hidden third-party clients of MEAWW.

28. The false allegations that the defendants in the Indian Action have seeded on the internet have taken root beyond MEAWW itself. For instance, on or about July 16, 2020 – not coincidentally, the very same day that MEAWW published the Defamatory Articles at issue herein – the following appeared on a Twitter account that has been confirmed as a fake account existing for no purpose other than to propagate false and misleading information:

According to insiders and anonymous Washington Post employees, the [upcoming] article will allege that: Dan Snyder abuses drugs and alcohol[;] Snyder paid off refs. Some refs have made \$2 million from him. And Snyder is not the only team owner paying off refs. Others do it too. Snyder and former Redskins coach Jay Gruden, brother of Jon Gruden, pimped out their cheerleaders to season ticket holders while holding their passports from them in a foreign country. Jay Gruden and then Redskins running back Kapri Bibbs were sleeping with the same woman. When Jay found out, he got petty and benched Bibbs. During that game when Bibbs was on the bench, Bibbs' replacement missed a block and that resulted in quarterback Alex Smith suffering a broken leg. Alex hasn't been able to play football ever since[.] Snyder and Gruden would hold sex parties with rampant drug usage and some sexual assaults[.] Snyder held nude photoshoots with the Redskins cheerleaders[.] Lawyers are already involved[.]

Whether this account is one of the "Bots" utilized regularly by MEAWW to further propagate its for-profit lies, or written by a human agent of MEAWW, will be further elucidated through discovery sought herein.

29. Petitioner commenced the Indian Action on August 7, 2020, asserting claims for defamation *per se* arising out of the Defamatory Articles. Petitioner seeks damages of \$10 million.

**V. BLAIR DEMONSTRATED KNOWLEDGE OF FORTHCOMING FALSE AND DEFAMATORY ARTICLES WELL IN ADVANCE OF THEIR PUBLICATION, WHILE SEEKING TO BRIBE OR OTHERWISE SOLICIT EMPLOYEES OF PETITIONER AND THE TEAM TO PROVIDE INFORMATION IN SUPPORT OF THOSE ARTICLES**

30. During her term with the Team as an assistant to Petitioner, Blair frequently interacted with various current and former Team employees, and developed relationships with employees of the Team as a result.

31. When Blair was terminated (after having previously been demoted), she left on bad terms and has since admitted to having absconded with confidential information belonging to Petitioner and/or the Team.

32. Further, it has recently come to light that, at the time Blair applied for her employment with the Team, she had a substantial criminal record. Indeed, when Blair applied for the job, she was still on probation for an embezzlement conviction: after being charged with felony embezzlement, she pled guilty to misdemeanor embezzlement and was required to serve twelve months' probation.

33. At all relevant times, including years before her term of employment with the Team, Blair appears to have been consistently in dire financial straits. Her wages have been garnished, including while she was in the Team's employ; she has a substantial history of judgments and liens against her; and she has been evicted several times.

34. In more recent years, however, Blair's financial difficulties have been alleviated by a financial benefactor through at least the following:

- Blair has stated that she received discounted rent between 2015 and at least late 2017 at two buildings owned by Comstock.
- In 2018, Blair moved to another luxury apartment building, also owned by Comstock.

- Blair has acknowledged that since 2018, she has paid \$2,100 a month in rent for her luxury apartment. Within the last 60 days, Ms. Blair upgraded to an even more luxurious apartment within the same building. Her ability to afford this monthly rent seems highly questionable based on public information pertaining to her current employment, as well as the significant public history of her financial difficulties as described above.

35. Blair has exhibited advance knowledge of numerous forthcoming negative publications about Petitioner and the Team. For example, in late May or early June 2020, Blair contacted a Team employee who has frequent contact with Petitioner. During their conversation, Blair told that employee that Blair had been asked about her contacts on the Team. This was consistent with what Blair had told that employee on several occasions previously – that is, that she stole confidential personal contact information for the Team’s employees and Petitioner’s business associates.

36. Blair also stated that she had been told by someone not employed by the *Washington Post*, but well known to both that employee and to Blair, that an article would be published in the *Washington Post* in approximately a week that would “not [be] good for Dan.” Blair further implied that she was in contact with the *Washington Post* in connection with this story.

37. The Team employee stated that the article Blair had advanced knowledge of eventually was published by the *Washington Post* on July 5, 2020, and it stated that the minority owners of the Team were looking to sell their stakes in the Team, and were “not happy being a partner” of Petitioner. This article cited “multiple people familiar with the deliberations.” This article was, of course, published weeks before the defamatory articles at issue herein.

38. Not coincidentally, throughout at least early July through early August 2020, Blair used the confidential personal contact information she admittedly stole from the Team to contact employees and affiliates of the Team and Petitioner to fish for negative information — regardless

of its veracity — regarding Petitioner, including sometimes offering or sometimes alluding to the availability of, bribes for information to be provided to her, or to unspecified publications.

39. To that end, Blair called a long-time personal employee of Petitioner on July 8, July 18 and August 1, 2020. During these calls, the longest of which pre-dated the July 16, 2020 MEAWW articles, Blair exhibited her advance knowledge regarding publication of stories, and stated that “something big was going to happen” and that several of the Team’s minority owners did not want to do business with Petitioner any longer. These interactions have been recorded, and have been memorialized in sworn affidavit testimony.

40. In her July 8, 2020 conversation with this personal employee of Petitioner, Blair said there would be a “big story” in the *Washington Post* about Petitioner; and that the story would be about how Petitioner was doing “dirty” and “illegal” things. In the calls with this employee, Blair also stated that Petitioner “do[es] drugs,” and consistently emphasized her personal animus toward Petitioner, whom she felt had treated her unfairly.

41. Of course, the *Washington Post* story on July 16, 2020 did not include any false and defamatory statements about Petitioner doing “illegal” or “dirty” things. Only the MEAWW stories included any allegations of “illegal” or “dirty” activities – namely that Petitioner engaged in sex trafficking and was affiliated with Jeffrey Epstein.

42. Even before her lengthy call with the above-referenced personal employee of Petitioner, on July 7, 2020, Blair called another employee (of the Team) who works closely with Petitioner on a daily basis. Blair asked this employee what the employee thought was going on between Petitioner and his partners. Blair also stated that “karma is a mother” and “karma always comes back” in reference to the Petitioner. Blair told the employee that the employee could “probably make a lot of money” for any information the employee had about Petitioner, pausing

to see if the employee would bite on the hook and offer something up about Petitioner in exchange for pay. The employee did not do so.

43. On July 16, 2020 – the very same day MEAWW published the Defamatory Articles at issue in the Indian Action – the *Washington Post* published an article about the Team alleging instances of sexual harassment against Team employees by other Team employees. The article expressly did not accuse Petitioner of any form of sexual or sexist misconduct, and noted that the Team had already fired numerous figures accused of misconduct and hired attorney Beth Wilkinson to complete a thorough investigation of the claims.

44. Based on the pattern of Blair’s interactions with Team employees, it is clear that she was deliberately soliciting negative information about Petitioner — without regard for whether it was true or false — which she herself explicitly linked to (i) forthcoming media coverage that would be damaging to Petitioner and (ii) the deliberate intent to harm him.

45. Blair also repeatedly told at least the employees of the Team and Petitioner discussed herein that she was in contact with and working in coordination with a third party – not a journalist, but rather someone well known to each of the involved persons – and that both that third party and Blair were involved in the preparation of one or more articles expected to be harmful to Petitioner.

46. Further, the timing of Blair’s fishing expedition for information on “illegal” and “dirty” acts with regard to Petitioner coincides with the period in which the defendants in the Indian Action were preparing the Defamatory Articles.

47. Blair has exhibited knowledge of upcoming, non-public events in other contexts as well. While still employed by the Team, she told a Team employee who interacts with Petitioner frequently that she had been in contact with the Federal Bureau of Investigation about another

Team employee. She stated that this Team employee was involved in distributing pirated DVDs, and a few weeks later, that Team employee was arrested by the FBI and subsequently terminated. Ms. Blair then was promoted to that Team employee's position.

48. For all of the foregoing reasons, Petitioner has ample reason to believe that Blair played a significant role in a deliberate and coordinated campaign, in conjunction with third parties, intended to defame and spread corrupt disinformation about Petitioner. This campaign included communications with media outlets including, upon information and belief, MEAWW. The *prima facie* who, what, when, where, and why of the scheme—and Blair's involvement in it—is clear, but Petitioner requires discovery from Blair and Comstock to investigate further in support of the Indian Action.

#### **VI. DISCOVERY REQUESTED**

49. Upon information and belief, Respondents are in possession, custody, and/or control of substantial documentary information — including emails, text messages, electronic and physical notes, call records, and other documents — that would demonstrate their connections to MEAWW, other third parties hostile to Petitioner, and the coordination between each of the foregoing to disparage and defame Petitioner — all of which is currently at issue in the Indian Action. Moreover, Respondents themselves have personal knowledge of the same. Accordingly, Respondents possess documents and information that bear directly upon the issues in the Indian Action and which Petitioner would be unable to obtain through discovery in the Indian Action.

50. As set forth in further detail in the subpoenas, Petitioner seeks discovery concerning (1) the substance and timing of Blair's communications with the defendants in the Indian Action; (2) the substance and timing of Blair's communications with any other media entities regarding Petitioner and/or the Team; (3) the identities of any other third parties involved in directing, coordinating with or supporting Blair to solicit or obtain negative information about Petitioner; (4)

the identities of any other third parties with whom Blair communicated with the explicit or implicit purpose of obtaining negative information about Petitioner and/or the Team; (5) any housing-related or other benefits received by Blair including but not limited to housing credits, rent forgiveness, direct payments or other compensation or any other form of preferential treatment; and (6) other documents and information that are relevant to the Indian Action and are available solely through Respondents.

51. In addition to requests for the production of documents from Respondents, Petitioner seeks to depose both Respondents concerning the subject matters described above and in the respective subpoenas directed to Blair and Comstock.

## VII. PETITIONER IS ENTITLED TO THE DISCOVERY SOUGHT HEREBY

### A. Section 1782 Governs this Court's Authority to Order Discovery

52. 28 U.S.C. § 1782(a) provides, in pertinent part:

The district court of the district in which a person resides or is found may order him to give his testimony or statement or to produce a document or other thing for use in a proceeding in a foreign or international tribunal . . . . The order may be made pursuant to a letter rogatory issued, or request made, by a foreign or international tribunal or upon the application of any interested person and may direct the testimony or statement be given, or the document or other thing be produced, before a person appointed by the court.

53. Since 1948, "Congress [has] substantially broadened the scope of assistance federal courts could provide for foreign proceedings," pursuant to § 1782. *See Intel Corp. v. Advanced Micro Devices, Inc.*, 542 U.S. 241, 256-57 (2004).

54. Indeed, courts in this Circuit have repeatedly recognized the liberal policy in favor of granting petitions for judicial assistance under § 1782. *Servotronics, Inc. v. Boeing Co.*, 954 F.3d 209, 213 (4th Cir. 2020) (reversing denial of § 1782 application in light of Congressional policy objectives). A district court should consider a Section 1782 request in the light of the statute's aims of providing efficient means of assistance to participants in international litigation

in our federal courts and encouraging foreign countries by example to provide similar means of assistance to our courts. *Intel Corp. v. Advanced Micro Devices, Inc.*, 542 U.S. 241, 252 (2004); *In re Request for Judicial Assistance from the Dist. Court in Svitavy*, 748 F. Supp. 2d 522, 525 (E.D. Va. 2010).

**B. Petitioner Satisfies the Requirements under Section 1782**

55. A district court has authority to grant an application for judicial assistance pursuant to Section 1782 if the following requirements are met: “(1) the person from whom discovery is sought resides or is found in the [Eastern District of Virginia]; (2) the discovery is for use in a proceeding before a foreign tribunal; and (3) the application is made by a foreign or international tribunal or ‘any interested person.’” *Svitavy*, 748 F. Supp. 2d at 525 (citing *In re Microsoft Corp.*, 428 F. Supp. 2d 188, 192 (S.D.N.Y. 2006)). Each of these prerequisites for this Court to order discovery in aid of the Indian Action is satisfied.

56. **First**, Blair is an individual currently residing within this District at 1908 Reston Metro Plaza, Reston, VA 20190. Comstock, likewise, resides in this District. *See* Qureshi Decl., **Exhibit F**.

57. **Second**, this request seeks the production of documents from and testimony by Respondents in support of the Indian Action. A true and correct copy of the pleadings filed in the Indian Action is attached to the Qureshi Decl. as **Exhibit G**, and copies of the proposed subpoenas to be served on Respondents are annexed to the Qureshi Decl. as **Exhibits A through D**. As set forth above, the discovery that Petitioner seeks is intended to further establish the liability of the defendants in the Indian Action, by elucidating their bad faith and active participation in a broader scheme to defame Petitioner with the direct or indirect assistance of Blair.

58. **Third**, Petitioner is an “interested person” within the meaning of 28 U.S.C. § 1782. An interested person is one who has significant “participation rights” in the foreign action. *Intel*, 542 U.S. at 256-57. As the Supreme Court noted in *Intel*, “litigants are included among, and may be the most common example, of the ‘interested person[s]’ who may invoke § 1782.” 542 U.S. at 256. Petitioner is the plaintiff in the Indian Action, and therefore is an “interested person” for the purposes of § 1782.

59. Accordingly, Petitioner’s request satisfies the elements necessary to permit discovery pursuant to 28 U.S.C. § 1782, as recognized in this Circuit.

**C. The Court Should Exercise its Discretion to Grant Petitioner the Discovery He Seeks**

60. Once the statutory requirements of 28 U.S.C. § 1782 are met, the district court is free to grant discovery in its discretion. *See Schmitz v. Bernstein, Liebhard & Lifshitz, LLP*, 376 F.3d 79, 83 (2d Cir. 2004). The Supreme Court has identified a number of factors for courts to consider when ruling on a § 1782 application: (1) whether the person from whom discovery is sought is a participant in the foreign proceeding; (2) the nature of the foreign tribunal, the character of the foreign proceeding, and the receptivity of the foreign court to federal-court assistance; (3) whether the application conceals an attempt to circumvent foreign proof-gathering restrictions of a foreign country; and (4) whether the application is unduly intrusive or burdensome. *See Intel*, 542 U.S. at 264-65; *Chevron Corp.*, No. 7:10-MC-00067, 2010 U.S. Dist. LEXIS 125174, at \*6-7 (W.D. Va. Nov. 24, 2010) (*quoting id.*). Here, all of these factors weigh in favor of granting the application.

61. **First**, where, as here, discovery is sought from a party that is not participating in the foreign proceeding, the need for court-ordered discovery is apparent. As the Supreme Court explained: “[a] foreign tribunal has jurisdiction over those appearing before it, and can itself order

them to produce evidence. In contrast, nonparticipants in the foreign proceeding may be outside the foreign tribunal's jurisdictional reach; hence, their evidence, available in the United States, may be unobtainable absent § 1782 aid." *Intel*, 542 U.S. at 264 (internal citations omitted). Respondents are not parties to the Indian Action and, upon information and belief, have no legal presence in India. Thus, the Indian Court has no jurisdiction to acquire the documents and testimony that Petitioner seeks here and which are critical to Petitioner's ability to prove his claims in the Indian Action.

62. **Second**, courts must look at the nature of the foreign proceeding and the receptivity of the foreign tribunal to federal court assistance. Here, there is no evidence that the discovery sought in this application would "offend" the Indian Court. To the contrary, the discovery sought would relate to the lack of truth in the Defamatory Articles and shed light on the authors' motivations in posting the Defamatory Articles, goals which are directly relevant to the Indian Action.

63. **Third**, this application is not an attempt to circumvent any foreign proof-gathering restrictions and does not violate any Indian restrictions on gathering evidence.<sup>1</sup> Petitioner has a good-faith basis for believing that he will be able to use these materials in the Indian Action. Petitioner has no reason to believe that the Indian Court would not be receptive to the judicial assistance requested, nor is Petitioner aware of any limitation on discovery imposed by the Indian Court, either generally or specifically, such that the request would "circumvent foreign proof-gathering restrictions or other policies of a foreign country or the United States." *Intel*, 542 U.S.

---

<sup>1</sup> As the Supreme Court noted in *Intel*, the Court's analysis of a Section 1782 application does not extend to the discoverability or admissibility of the information in the foreign forum. *See Intel*, 542 U.S. at 260 ("Beyond shielding material safeguarded by an applicable privilege, however, nothing in the text of § 1782 limits a district court's production-order authority to materials that could be discovered in the foreign jurisdiction if the materials were located there.").

241 at 264-65. The Court’s grant of judicial assistance would permit Petitioner to appropriately prosecute its claim against Eleven, along with the authors of the Defamatory Articles and Eleven’s relevant principals and affiliates, in India given that Respondents are in exclusive possession of information highly relevant to Petitioner’s claim.

64. *Fourth*, the document requests in the proposed subpoenas are neither unduly burdensome nor intrusive. Petitioner has tailored his requests to seek only those materials relevant to the Indian Action, and the documents requested lend themselves to easy identification and production.

**VIII. CONCLUSION**

65. For the reasons set forth herein, Petitioner respectfully requests that the Court issue an Order, pursuant to 28 U.S.C. § 1782, granting Petitioner leave to serve Blair and Comstock with the subpoenas appended to the Qureshi Decl. as Exhibits A and B, and C and D, respectively.

**Federal Rule of Civil Procedure 45 (c), (d), (e), and (g) (Effective 12/1/13)**

**(c) Place of Compliance.**

(1) *For a Trial, Hearing, or Deposition.* A subpoena may command a person to attend a trial, hearing, or deposition only as follows:

- (A) within 100 miles of where the person resides, is employed, or regularly transacts business in person; or
- (B) within the state where the person resides, is employed, or regularly transacts business in person, if the person
  - (i) is a party or a party's officer, or
  - (ii) is commanded to attend a trial and would not incur substantial expense.

(2) *For Other Discovery.* A subpoena may command:

- (A) production of documents, electronically stored information, or tangible things at a place within 100 miles of where the person resides, is employed, or regularly transacts business in person; and
- (B) inspection of premises at the premises to be inspected.

**(d) Protecting a Person Subject to a Subpoena; Enforcement.**

(1) *Avoiding Undue Burden or Expense; Sanctions.* A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The court for the district where compliance is required must enforce this duty and impose an appropriate sanction—which may include lost earnings and reasonable attorney's fees—on a party or attorney who fails to comply.

(2) *Command to Produce Materials or Permit Inspection.*

(A) *Appearance Not Required.* A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) *Objections.* A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing, or sampling any or all of the materials or to inspecting the premises—or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

- (i) At any time, on notice to the commanded person, the serving party may move the court for the district where compliance is required for an order compelling production or inspection.
- (ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) *Quashing or Modifying a Subpoena.*

(A) *When Required.* On timely motion, the court for the district where compliance is required must quash or modify a subpoena that:

- (i) fails to allow a reasonable time to comply;
- (ii) requires a person to comply beyond the geographical limits specified in Rule 45(c);
- (iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or
- (iv) subjects a person to undue burden.

(B) *When Permitted.* To protect a person subject to or affected by a subpoena, the court for the district where compliance is required may, on motion, quash or modify the subpoena if it requires:

- (i) disclosing a trade secret or other confidential research, development, or commercial information; or

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party.

(C) *Specifying Conditions as an Alternative.* In the circumstances described in Rule 45(d)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

- (i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and
- (ii) ensures that the subpoenaed person will be reasonably compensated.

**(e) Duties in Responding to a Subpoena.**

(1) *Producing Documents or Electronically Stored Information.* These procedures apply to producing documents or electronically stored information:

(A) *Documents.* A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) *Form for Producing Electronically Stored Information Not Specified.* If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) *Electronically Stored Information Produced in Only One Form.* The person responding need not produce the same electronically stored information in more than one form.

(D) *Inaccessible Electronically Stored Information.* The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

(2) *Claiming Privilege or Protection.*

(A) *Information Withheld.* A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

- (i) expressly make the claim; and
- (ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) *Information Produced.* If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information under seal to the court for the district where compliance is required for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

(g) *Contempt.*

The court for the district where compliance is required—and also, after a motion is transferred, the issuing court—may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena or an order related to it.

#### **INSTRUCTIONS**

1. Unless a particular request states otherwise, the relevant time period to which each request refers is January 1, 2015 to present.

2. The past tense form shall be construed to include the present tense, and vice versa, whenever such a dual construction will serve to bring within the scope of a request any response that would otherwise not be within its scope.

44

3. The singular form of a noun or pronoun shall include the plural of the noun or pronoun, and vice versa.

4. Each category of documents in these requests extends to any and all documents in your possession, custody, or control, including all drafts and non-identical copies. A document shall be deemed to be in your possession, custody, or control if it is in your physical custody, or if it is in the physical custody of any other person and you (a) own such document in whole or in part; or (b) have a right by contract, statute, or otherwise to use, inspect, examine, or copy such document; or (c) have an understanding, express or implied, that you may use, inspect, examine, or copy such document; or (d) as a practical matter, have been able to use, inspect, examine, or copy such document. Such documents shall include, but are not limited to, documents that are in the custody of any of your attorneys, representatives, or other agents.

5. All requests for the production of documents shall be construed to include any additional documents responsive to these requests that are discovered or that come into your possession after the date of production.

6. All documents should be produced either in the order and format in which they were maintained in the normal course of business or in another format to be mutually agreed upon by the parties. Documents should contain a clear indication of where each document ends and the next begins. Documents maintained in a file folder or binder should be preceded by the file folder or binder label, if one exists. All attachments to a document should be produced with the document. All documents should be marked with a bates-stamp or similar serial document identifying system.

in the usual course of business in electronic format shall be produced in their native format along with the software necessary to interpret such files if such software is not readily available.

- b. All other documents responsive to these requests that are maintained in the usual course of business in electronic format shall be produced in properly unitized, single-page TIFF Group IV format complete with full text extracts and all associated metadata.
- c. All documents responsive to these requests shall be produced with the metadata normally contained within such documents. If such metadata is not available, each document shall be accompanied by a listing of all file properties concerning such document, including, but not limited to, all information concerning the date(s) the document was last accessed, created, modified or distributed, and the author(s) and recipient(s) of the document.
- d. Under no circumstances should ESI be converted from the form in which it is ordinarily maintained to a different form that makes it more difficult or burdensome to use the ESI. ESI should not be produced in a form that removes or significantly degrades the ability to search the ESI by electronic means where the ESI is ordinarily maintained in a way that makes it searchable by electronic means. Databases or underlying data should be produced subject to discussions of production format issues with Plaintiff's counsel. If you decline to search or produce ESI on the ground that such ESI is not reasonably accessible because of undue burden or cost, identify such information by category or source and provide detailed information

8. 49

not apparent, the relationship of the author, addressees, and recipients to each other; and (vi) the basis for your objection, including the nature of the privilege which is being claimed.

10. If any of these documents cannot be produced in full, or if you object to producing any document in full, you are to produce them to the fullest extent possible, specifying clearly the reasons for your inability to produce the remainder and stating any information, knowledge, or belief you have concerning the unproduced portion.

**Federal Rule of Civil Procedure 45 (c), (d), (e), and (g) (Effective 12/1/13)**

**(c) Place of Compliance.**

(1) *For a Trial, Hearing, or Deposition.* A subpoena may command a person to attend a trial, hearing, or deposition only as follows:

- (A) within 100 miles of where the person resides, is employed, or regularly transacts business in person; or
- (B) within the state where the person resides, is employed, or regularly transacts business in person, if the person
  - (i) is a party or a party's officer; or
  - (ii) is commanded to attend a trial and would not incur substantial expense.

(2) *For Other Discovery.* A subpoena may command:

- (A) production of documents, electronically stored information, or tangible things at a place within 100 miles of where the person resides, is employed, or regularly transacts business in person; and
- (B) inspection of premises at the premises to be inspected.

**(d) Protecting a Person Subject to a Subpoena; Enforcement.**

(1) *Avoiding Undue Burden or Expense; Sanctions.* A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The court for the district where compliance is required must enforce this duty and impose an appropriate sanction—which may include lost earnings and reasonable attorney's fees—on a party or attorney who fails to comply.

(2) *Command to Produce Materials or Permit Inspection.*

(A) *Appearance Not Required.* A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) *Objections.* A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing, or sampling any or all of the materials or to inspecting the premises—or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

- (i) At any time, on notice to the commanded person, the serving party may move the court for the district where compliance is required for an order compelling production or inspection.
- (ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) *Quashing or Modifying a Subpoena.*

(A) *When Required.* On timely motion, the court for the district where compliance is required must quash or modify a subpoena that:

- (i) fails to allow a reasonable time to comply;
- (ii) requires a person to comply beyond the geographical limits specified in Rule 45(c);
- (iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or
- (iv) subjects a person to undue burden.

(B) *When Permitted.* To protect a person subject to or affected by a subpoena, the court for the district where compliance is required may, on motion, quash or modify the subpoena if it requires:

- (i) disclosing a trade secret or other confidential research, development, or commercial information; or

- (ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party.

(C) *Specifying Conditions as an Alternative.* In the circumstances described in Rule 45(d)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

- (i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and
- (ii) ensures that the subpoenaed person will be reasonably compensated.

**(e) Duties in Responding to a Subpoena.**

(1) *Producing Documents or Electronically Stored Information.* These procedures apply to producing documents or electronically stored information:

(A) *Documents.* A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) *Form for Producing Electronically Stored Information Not Specified.* If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) *Electronically Stored Information Produced in Only One Form.* The person responding need not produce the same electronically stored information in more than one form.

(D) *Inaccessible Electronically Stored Information.* The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

**(2) Claiming Privilege or Protection.**

(A) *Information Withheld.* A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

- (i) expressly make the claim; and
- (ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) *Information Produced.* If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information under seal to the court for the district where compliance is required for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

**(g) Contempt.**

The court for the district where compliance is required—and also, after a motion is transferred, the issuing court—may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena or an order related to it.

**Federal Rule of Civil Procedure 45 (c), (d), (e), and (g) (Effective 12/1/13)**

**(c) Place of Compliance.**

(1) *For a Trial, Hearing, or Deposition.* A subpoena may command a person to attend a trial, hearing, or deposition only as follows:

- (A) within 100 miles of where the person resides, is employed, or regularly transacts business in person; or
- (B) within the state where the person resides, is employed, or regularly transacts business in person, if the person
  - (i) is a party or a party's officer; or
  - (ii) is commanded to attend a trial and would not incur substantial expense.

(2) *For Other Discovery.* A subpoena may command:

- (A) production of documents, electronically stored information, or tangible things at a place within 100 miles of where the person resides, is employed, or regularly transacts business in person; and
- (B) inspection of premises at the premises to be inspected.

**(d) Protecting a Person Subject to a Subpoena; Enforcement.**

(1) *Avoiding Undue Burden or Expense; Sanctions.* A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The court for the district where compliance is required must enforce this duty and impose an appropriate sanction—which may include lost earnings and reasonable attorney's fees—on a party or attorney who fails to comply.

(2) *Command to Produce Materials or Permit Inspection.*

(A) *Appearance Not Required.* A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) *Objections.* A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing, or sampling any or all of the materials or to inspecting the premises—or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

- (i) At any time, on notice to the commanded person, the serving party may move the court for the district where compliance is required for an order compelling production or inspection.
- (ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) *Quashing or Modifying a Subpoena.*

(A) *When Required.* On timely motion, the court for the district where compliance is required must quash or modify a subpoena that:

- (i) fails to allow a reasonable time to comply;
- (ii) requires a person to comply beyond the geographical limits specified in Rule 45(c);
- (iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or
- (iv) subjects a person to undue burden.

(B) *When Permitted.* To protect a person subject to or affected by a subpoena, the court for the district where compliance is required may, on motion, quash or modify the subpoena if it requires:

- (i) disclosing a trade secret or other confidential research, development, or commercial information; or

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party.

(C) *Specifying Conditions as an Alternative.* In the circumstances described in Rule 45(d)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

- (i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and
- (ii) ensures that the subpoenaed person will be reasonably compensated.

**(e) Duties in Responding to a Subpoena.**

(1) *Producing Documents or Electronically Stored Information.* These procedures apply to producing documents or electronically stored information:

(A) *Documents.* A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) *Form for Producing Electronically Stored Information Not Specified.* If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) *Electronically Stored Information Produced in Only One Form.* The person responding need not produce the same electronically stored information in more than one form.

(D) *Inaccessible Electronically Stored Information.* The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

**(2) Claiming Privilege or Protection.**

(A) *Information Withheld.* A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

- (i) expressly make the claim; and
- (ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) *Information Produced.* If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information under seal to the court for the district where compliance is required for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

**(g) Contempt.**

The court for the district where compliance is required—and also, after a motion is transferred, the issuing court—may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena or an order related to it.

1. Unless a particular request states otherwise, the relevant time period to which each request refers is January 1, 2015 to present.

2. The past tense form shall be construed to include the present tense, and vice versa, whenever such a dual construction will serve to bring within the scope of a request any response that would otherwise not be within its scope.

65

3. The singular form of a noun or pronoun shall include the plural of the noun or pronoun, and vice versa.

4. Each category of documents in these requests extends to any and all documents in your possession, custody, or control, including all drafts and non-identical copies. A document shall be deemed to be in your possession, custody, or control if it is in your physical custody, or if it is in the physical custody of any other person and you (a) own such document in whole or in part; or (b) have a right by contract, statute, or otherwise to use, inspect, examine, or copy such document; or (c) have an understanding, express or implied, that you may use, inspect, examine, or copy such document; or (d) as a practical matter, have been able to use, inspect, examine, or copy such document. Such documents shall include, but are not limited to, documents that are in the custody of any of your attorneys, representatives, or other agents.

5. All requests for the production of documents shall be construed to include any additional documents responsive to these requests that are discovered or that come into your possession after the date of production.

6. All documents should be produced either in the order and format in which they were maintained in the normal course of business or in another format to be mutually agreed upon by the parties. Documents should contain a clear indication of where each document ends and the next begins. Documents maintained in a file folder or binder should be preceded by the file folder or binder label, if one exists. All attachments to a document should be produced with the document. All documents should be marked with a bates-stamp or similar serial document identifying system.

in the usual course of business in electronic format shall be produced in their native format along with the software necessary to interpret such files if such software is not readily available.

- b. All other documents responsive to these requests that are maintained in the usual course of business in electronic format shall be produced in properly unitized, single-page TIFF Group IV format complete with full text extracts and all associated metadata.
- c. All documents responsive to these requests shall be produced with the metadata normally contained within such documents. If such metadata is not available, each document shall be accompanied by a listing of all file properties concerning such document, including, but not limited to, all information concerning the date(s) the document was last accessed, created, modified or distributed, and the author(s) and recipient(s) of the document.
- d. Under no circumstances should ESI be converted from the form in which it is ordinarily maintained to a different form that makes it more difficult or burdensome to use the ESI. ESI should not be produced in a form that removes or significantly degrades the ability to search the ESI by electronic means where the ESI is ordinarily maintained in a way that makes it searchable by electronic means. Databases or underlying data should be produced subject to discussions of production format issues with Petitioner's counsel. If you decline to search or produce ESI on the ground that such ESI is not reasonably accessible because of undue burden or cost, identify such information by category or source and provide detailed

information regarding the burden or cost you claim is associated with the search or production of such ESI.

8. If any document or data, including ESI, that you are requested to produce or identify herein was at one time in existence, but has been lost, discarded, or destroyed, identify in writing each document and provide the following information: (a) the date or approximate date it was lost, discarded, or destroyed; (b) the circumstances and manner in which it was lost, discarded, or destroyed; (c) the reason or reasons for disposing of the document (if discarded or destroyed), including whether such destruction, etc., was pursuant to a written records retention or destruction policy; (d) the identity of all persons authorizing the document and/or having knowledge of the document; (e) the identity of the persons who lost, discarded, or destroyed the document; (f) the identity of any persons having knowledge of the contents thereof; and (g) a detailed summary of the nature and contents of the document, including the author(s) of the document(s), the name of the person(s) to whom the document(s) was/were delivered or addressed, including indicated or blind copy recipients, the date of the document(s), and a description of the subject matter thereof, including any attachment or appendices, and the number of pages.

not apparent, the relationship of the author, addressees, and recipients to each other; and (vi) the basis for your objection, including the nature of the privilege which is being claimed.

10. If any of these documents cannot be produced in full, or if you object to producing any document in full, you are to produce them to the fullest extent possible, specifying clearly the reasons for your inability to produce the remainder and stating any information, knowledge, or belief you have concerning the unproduced portion.

11. The specificity of any request herein shall not be construed to limit the generality or reach of any other request herein.

Order Directing Discovery from Ms. Mary  
Ellen Blair and Comstock Holding  
Companies, Inc. Pursuant to 28 U.S.C. § 1782

Misc. Action No. 1:20-mc-00023

DECLARATION OF MARY ELLEN BLAIR

I, Mary Ellen Blair, on oath, state as follows:

1. I am an adult over the age of 18, competent to testify and have personal knowledge of the facts set forth in this declaration.
2. In July 2020 I talked with Mr. Dwight Schar ("Schar") about a [REDACTED] employee's sexual harassment claim against [REDACTED]. Schar knew I would take that information about the employee's sexual harassment claim to the Washington Post, and Schar was encouraging me to share the information with the Washington Post.
3. In July 2020, Schar was trying to get me the phone number for Liz Clarke of the Washington Post so that I would speak to the Washington Post. Schar encouraged me to speak to the Washington Post, and told me I should speak to the Washington Post and tell them what I know, including information about the [REDACTED] employee's sexual harassment claim. Schar was trying to orchestrate my speaking with Liz Clarke of the Washington Post.
4. I did not talk to Schar or John Moag about private investigators until August 2020.
5. Schar has never been a father figure to me, he was concerned about his business interests when we began communicating in July 2020.

## Need-to-Know Information

### Advertising Programs Privacy Notice

Your privacy is an important priority at Verizon, and our privacy policy describes the information we collect and how we use it.

We provide this notice to tell you how Verizon and Oath use certain customer information for two purposes: (1) to make the advertising you see more personalized and (2) to create business and marketing insights.

If you do not want Verizon to use your information for these purposes, you can opt out using the options described below in the "Your choices" section.

#### 1. Relevant Mobile Advertising

Verizon companies offer a wide variety of free Services that are made possible by advertising. The best advertising is for something you might actually want, and that is what we want to give you. The Relevant Mobile Advertising program uses certain customer information to help make the ads you see more interesting and useful. This program shares information with Oath, a Verizon company formed by the combination of Yahoo and AOL.

#### What information is used?

The Relevant Mobile Advertising program uses your postal and email addresses, certain information about your Verizon products and services (such as device type), and information we get from other companies (such as gender, age range, and interests). This information may be combined with information collected by Oath from devices you use to access Oath services and visit third-party websites and apps that include Oath advertising services (such as Web browsing, app usage, and location), as well as information we obtain from third-party partners and advertisers.

We do not share information that identifies you personally as part of this program other than with vendors and partners who do work for us. We require that these vendors and partners protect the information and use it only for the services they are providing us.

#### How does this advertising program work?

The programs use online and device identifiers, including browser cookies, ad IDs from Apple and Google, and one created by Verizon, known as a Unique Identifier Header or UIDH. Unless you opt out of the Relevant Mobile Advertising program and have not opted in to the separate Verizon Selects program, a UIDH is included in the address information of internet requests going to Verizon companies (including Oath). With your opt in consent, for example when you opt in to Verizon Selects, the UIDH may also be shared with partners who help us provide advertising services. Verizon partners are authorized to use the Verizon identifier only as part of Verizon and Oath services. We use these identifiers to help make our advertising programs better by, for example:

- Linking Verizon advertising program information to information that Oath has, to provide more personalized advertising
- Serving ads to customers in apps and web browsers that do not use common advertising identifiers
- Helping to determine that different devices have the same user so that Oath can deliver better advertising in more places

#### 2. Business and Marketing Insights

Verizon and Oath use information we have about you to create aggregate business and marketing insights. The information used for this program and the insights we develop do not identify individuals. Business and marketing insights help provide a better understanding of consumer actions in aggregate. For example, a company could find it valuable to understand the number of customers in different age groups who visited a website, used an app, or visited a retail store or stadium.

Verizon may share location information that does not identify you personally with other companies to allow them to produce additional aggregate insights. For example, de-identified location information we provide could be combined with similar information provided by others to create traffic reports.

#### What information is used?

The Business and Marketing Insights program uses Verizon information about how you use your mobile device (such as web browsing, device location, and app/feature use), certain information about your Verizon products and services (such as device type), and demographic and interest information you provide or we obtain from other companies (such as gender, age range, and interests). The program also uses information Oath has about your use of services (such as email, search, sites and apps) and visits to third-party websites and apps that include Oath services (such as web browsing, app usage and location), as well as information that Oath obtain from third-party partners. The program may also use information other companies share with us to better understand insights related to their own businesses.

#### Your choices

If you don't want to participate in these programs, you don't have to. You can opt out of the Relevant Mobile Advertising and Business and Marketing Insights programs at your privacy choices page in MyVerizon or by calling 866.211.0874. Please note, if you agree to participate in the Verizon Selects advertising program, you will also be part of the Relevant Mobile Advertising and Business and Marketing Insights programs independent of your choice here. You also have choices about how Oath uses information for advertising purposes. Please note that using browser controls such as clearing cookies on your devices or clearing your browser history is not an effective way to opt out of the Verizon or Oath advertising programs.

#### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit Verizon.com for more information on our services and companies.

### Need-to-Know Information continued ...

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

#### California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to: Verizon, PO Box 408, Newark, NJ 07101-0408. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. If you have hearing or speaking limitations and need California Relay Service, dial 711 (visit <http://ddtp.cpuc.ca.gov/> for further information) If you need to contact your wireless phone insurance provider, call 888.881.2622.

#### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

#### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

#### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

#### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

#### Third-Party Services and Ability to Block

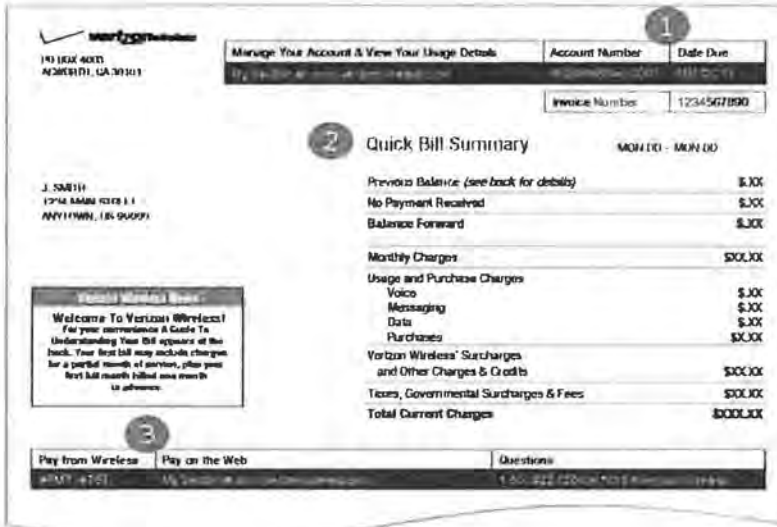

Services and applications that are provided by third parties are available to you through your Verizon Wireless account. Some of these services and applications may involve charges for which you will be billed. You may choose to block or restrict access to, at no cost, any such services or applications that may involve a charge being placed on your Verizon Wireless bill. The fastest way to do this is to log into your "My Verizon" account online at [verizonwireless.com](http://verizonwireless.com) and select Plan>Blocks>Select a Device>Block Services, then choose the type of services you would like to block.

## Need-to-Know Information

### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

### California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to: Verizon, PO Box 408, Newark, NJ 07101-0408. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. If you have hearing or speaking limitations and need California Relay Service, dial 711 (visit <http://dntp.cpuc.ca.gov/> for further information). If you need to contact your wireless phone insurance provider, call 888.881.2622.

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

### California Changes 911 Surcharge Effective January 1, 2020

Effective January 1, 2020, a new law in the state of California, Senate Bill 96, changes the Emergency Telephone Users 911 Surcharge from a percentage-based surcharge of .75% to a flat rate surcharge amount of \$0.30 per access line per month.

## Need-to-Know Information

### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. ### California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to: Verizon, PO Box 408, Newark, NJ 07101-0408. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. If you have hearing or speaking limitations and need California Relay Service, dial 711 (visit <http://ddtp.cpuc.ca.gov/> for further information). If you need to contact your wireless phone insurance provider, call 888.881.2622.

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

### FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On January 1, the FUSC decreased to 5.67% percent of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 19.6% percent. For more details, please call 1-888-684-1888.

## Additional information

### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

### California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to: Verizon, PO Box 408, Newark, NJ 07101-0408. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. If you have hearing or speaking limitations and need California Relay Service, dial 711 (visit <http://ddtp.cpuc.ca.gov/> for further information). If you need to contact your wireless phone insurance provider, call 888.881.2622.

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes, and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts, they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

## Additional information

### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

### California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to Verizon, PO Box 408, Newark, NJ 07101-0408. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. If you have hearing or speaking limitations and need California Relay Service, dial 711 (visit <http://ddtp.cpuc.ca.gov/> for further information). If you need to contact your wireless phone insurance provider, call 888.881.2622.

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts, they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

### Remittance Envelope

Thanks for making your payments electronically. We are removing the remit envelope in your future billing statements because you have made three consecutive payments electronically. If you would like to reinstate your remit envelope you can do so via My Verizon, at [vzw.com](http://vzw.com). Upon signing in, simply place your cursor over the My Verizon option at the top of the page, select My Profile from the menu, and then Payment Envelope to make changes.

### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts, they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 15% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

### FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On July 1, the FUSC increased to 8.02% percent of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges increased to 26.50% percent. For more details, please call 1-888-684-1338.

## Additional information

### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

### California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to: Verizon, PO Box 408, Newark, NJ 07101-0408. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. If you have hearing or speaking limitations and need California Relay Service, dial 711 (visit <http://ddtp.cpuc.ca.gov/> for further information). If you need to contact your wireless phone insurance provider, call 888.881.2622.

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service, and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes, and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts, they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

## Additional information

### More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are \$94.07. This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge. This bill cycle, your fixed monthly plan charges were \$90.00 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment). To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle. In this bill cycle, we have allocated this amount as follows: \$5.77 for voice, \$1.17 for messaging, \$83.06 for data, and \$0.00 for other services. For more information, please go to [vzw.com/taxesandsurcharges](http://vzw.com/taxesandsurcharges).

If you have a complaint you cannot resolve with us, submit a complaint to the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave. Rm. 2003, San Francisco, CA 94102, or at <http://www.cpuc.ca.gov/complaints>, or call 800.649.7570. ### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service, and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes, and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts, they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 15% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

### No-cost Feature Information

If your service plan includes an optional, no-cost feature (for example, some plans include a no-cost Apple Music option), electing this feature may affect the taxes, governmental fees, and governmental surcharges that we bill and collect, even though your service plan price does not change.

**AFFIDAVIT OF CHARLES S. COATES**

I, Charles S. Coates, having been duly sworn, states as follows:

1. I am over 18 years of age and reside in Round Hill, Virginia.
2. I am Vice President of Aviation for the Washington Football Team ("WFT") and my principal place of business is Dulles Jet Center, 23800 Wind Sock Drive, Dulles, Virginia 20166.
3. I have been employed by the WFT since April 1997 and my duties and responsibilities include overseeing the operations and flights of the WFT, their executives and guests. For a brief period of eight (8) months in 2006, I left my role with the WFT and then returned in 2007.
4. During my nearly twenty-four (24) years with the WFT, I have become personally acquainted with Mr. Daniel Snyder, his family, and other employees of the WFT, including other business partners of Mr. Snyder.
5. In my capacity as Vice President of Aviation, I am often tasked with coordinating with the Executive Office of the WFT to verify all details concerning flights associated with Mr. Snyder, the WFT and/or guests. As a result of these coordination efforts, in or about 2014, I became acquainted with Mary Ellen Blair, who served as a personal assistant to Mr. Snyder in the Executive Office of the WFT.
6. Mary Ellen left her employment with the WFT in or about 2018. Since leaving the WFT, Mary Ellen would periodically contact me via phone or text to have friendly conversations. The initial conversations with Mary Ellen following her departure from the WFT involved Mary Ellen expressing her displeasure about being released from her position at the WFT. At times during some of those conversations, Mary Ellen would make unsolicited requests for gossip related to the Snyder family and the WFT. On these calls, her gossip often

include information she had allegedly learned from employees who were employed at the Snyder family's private residence. Each time Mary Ellen directly or indirectly solicited personal or confidential information about the Snyder family from me, I refused to partake in any further conversation with her. Most of the calls I received from Mary Ellen involved her venting her alleged frustrations with the Snyder family and the WFT.

7. In late May or early June 2020, I received a call from Mary Ellen which I expected to be a routine call where I would entertain her friendly conversation and her unsuccessful efforts at getting gossip about the Snyder family or the WFT. At some point during this phone call, Mary Ellen said Dwight Schar – an individual I know to be Mr. Snyder's partner and minority owner of the WFT – called Mary Ellen and asked her for information regarding her contacts within or relating to the WFT. Mary Ellen further stated that she and Mr. Schar spoke on the phone for approximately 45 minutes. After discussing her call with Mr. Schar, Mary Ellen also stated to me that there was going to be an article that would be published in the Washington Post the following week that would "not good for Dan." Mary Ellen also implied that she was in contact with the Washington Post in connection with this story. I did not immediately react to this statement because I perceived it as more gossip from Mary Ellen which usually has no relevance. Also, as far as I am aware, no article was published about Mr. Snyder within that timeframe.

8. Prior to the May 2020 call, Mary Ellen told me several times that when she left the WFT, she took contact information that she possessed in connection with her role with the WFT.

287

9. In early July 2020, consistent with what Mary Ellen told me in May 2020, I became aware that an article that was critical of Mr. Snyder was published in the Washington Post.

AFFIDAVIT OF KEVIN L. WILSON

I, Kevin L. Wilson, having been duly sworn, states as follows:

1. I am over 18 years of age and reside in Odenton, Maryland.
2. I am an Executive Driver for the Washington Football Team ("WFT") and my duties and responsibilities include driving exclusively for the Snyder family. I have been serving in this capacity since October 2005.
3. During my nearly fifteen (15) years with the Snyder family, I have been personally acquainted with Mr. Daniel Snyder, his family, and other employees of the WFT, including other business partners of Mr. Snyder.
4. In my capacity as Executive Driver, I am often tasked with coordinating with the Executive Office of the WFT. As a result of these coordination efforts, in the early 2010s, I became acquainted with Mary Ellen Blair, who served as a personal assistant to Mr. Snyder in the Executive Office of the WFT.
5. A few years ago, it is my understanding that Mary Ellen was removed from her position with the WFT. Since leaving the WFT, Mary Ellen has called me approximately five (5) times to have friendly conversation. These calls would entail Mary Ellen asking about me, my family, the WFT and questions related to staffing at the WFT.
6. On or about July 7, 2020, I received a call on my personal cell from Mary Ellen. Prior to this call, I had learned from the local news that there were reports about the minority owners of the WFT – who I know to be Mr. Schar, Mr. Rothman and Mr. Smith – were trying to sell their ownership interest in the WFT. When I saw Mary Ellen was calling, I suspected that she likely would be calling regarding this news report. Not surprisingly, the first words uttered to me by Mary Ellen was a question related to the above-referenced news story. Mary Ellen asked what I thought was going on between Mr. Snyder and his partners, and specifically why

the minority owners wanted to sell their shares in the WFT. I responded that I had no idea as to the details of this news report and noted that I was personally shocked by this news. Then Mary Ellen said "karma is a mother" and "karma always comes back" allegedly making a negative reference to Mr. Snyder. Later in that same conversation, Mary Ellen stated to me "you can probably make a lot of money" because you have a lot of information about Mr. Snyder. I responded by telling Mary Ellen that I am not interested in anything like that. Prior to ending the call, Mary Ellen invited me to lunch the following Wednesday, however it was never planned nor did I have any intentions to go.

7. Since Mary Ellen called me only about 5 to 6 times since leaving the WFT, I never considered her a close friend. This was only further confirmed by her call to me on or about July 7, 2020, when she was clearly more interested in gossip and exhibited her bad intentions against the Snyder family. I have not heard from Mary Ellen since the call on or about July 7, 2020.
