**SYNOPSIS**

The Petitioners are law abiding citizen and practicing Advocates of this Hon'ble Court, who feel bestowed with the responsibility to seek the kind indulgence of this Hon'ble Court for protection of the fundamental rights of their fellow citizens, which is being infringed by an illegal design framed by the Government of India to throttle the voices of poor farmers, waging battle against the three farm laws by making peaceful protest.

Though, the Petitioners are conscious of the fact, this Hon'ble Court has been pleased to stay those farm laws and had also formed a committee and mediation talks are also underway. However, the Petitioners are aggrieved by the propaganda and hate news being published by some of the news channels (*like Aaj Tak, Republic Bharat, ABP news etc.*) and over the social networking sites (*like Twitter, YouTube, Facebook, WhatsApp, Instagram etc.*) spreading hate against the entire Sikh community for the alleged mis-deeds and sinful acts of the few elements.

On 72th Republic Day i.e. 26<sup>th</sup> January, 2021 certain unprecedented incidents took place at the vicinity of our national heritage – Lal-Quila at Delhi by some elements. A place adjacent to Gurudwara Sheesh Ganj Sahib, where Shri Guru Teg Bahadur Sahib (*9<sup>th</sup> Sikh Guru and father of Guru Govind Singh Ji*) was martyred for the cause of humanity.

## C

However, the said incidents that took place on 26<sup>th</sup> January, 2021 appear to be highly motivated and pre-planned attempt to throttle the voices of the poor farmers, who were protesting against the farm laws for more than 60 days facing all odds. Though, the alleged sinful act/s was committed by few elements, but the entire Sikh community is being blamed, criticized and defamed by some of the news channels for their unlawful gains and oblique motives. They are adamant to spread hate against the entire Sikh community and have even gone to the extent of terming the NISHAAN SAHIB (*a holy flag of Sikh community, which is hosted at all Gurudwaras*) as Khalistani Flag.

Petitioners and other fellow citizens having faith on Sikhism and Sikh Gurus, which is recognized for their sacrifices and selfless services for the nation are badly perturbed and troubled to note the indifferent acts of these media channels, which has wide circulations nationally and internationally. The hate news published by them has been causing irreparable loss and injury to the entire Sikh community which cannot be compensated in any manner. The social networking sites where fake hate news is allowed to be published, is also deterrent to our society. If, the hate news/publications against the Sikh community are not stopped immediately, it might result into dastardly situation and may bring disharmony in the entire country.

## **D**

The Petitioners are also feeling aggrieved to learn that the Government of India had prohibited/suspended the access of internet facility at the borders, where the farmers are protesting, which is sheer violation to the fundamental rights of a citizen conferred under Article 19 (1) (a) Constitution of India as held by this Hon'ble Supreme Court in *Anuradha Bhasin v. Union of India (2020) 3 SCC 637* and *Foundation for Media Professionals v. Union Territory of Jammu and Kashmir and Another (2020) 5 SCC 746*.

Fundamental Rights of a citizen cannot be curtailed in such a casual fashion, just because the huge numbers of people are raising their voices against the Government. It would be apt to note at this juncture that some of the media channels are spreading hate and fake news and is just showing the news from the angle suitable to the Government and not the true and impartial news. By restraining the use of internet, the Governments are trying to make a feeble attempt to preclude the farmers and real journalists to bring the true picture before the nation.

Petitioners want to draw attention of this Hon'ble Court, that a young boy namely Navreet Singh resident of Bazpur, District Udham Singh Nagar, Uttarakhand died during the protest, who had allegedly sustained gunshot injury, which is prima facie evident from various videos, which went viral in the social networking sites. However, in his PMR, the cause of

## **E**

death has been reported as “*shock and hemorrhage as a result of ant mortem head injury.*” There is need to perverse the evidence and provide security to the eye-witnesses. This is very vital issue and requires immediate indulgence of this Hon’ble Court.

Thus, by means of instant writ petition under Article 32 of the Constitution of India, the Petitioner, is seeking following indulgence:-

- i. Direct the authorities to ensure safety and protection of the farmers, who are protesting at the borders of the points i.e. Singhu, Ghazipur, Tikri, in the interest of justice.
- ii. Direct the authorities to ensure hygienic atmosphere and uninterrupted supply of basic amenities such as food, water and electricity etc. at the border points i.e. Singhu, Ghazipur, Tikri, where the farmers are protesting, in the interest of justice.
- iii. Direct the authorities to remove the iron nails and cemented barricades etc. which has been illegally installed to stop the famers’ ingress and egress from the place of protest i.e. Tikri border and any other borders, to meet the ends of justice.
- iv. Direct the authorities/Governments to ensure an uninterrupted Internet Excess at the entire border points i.e. Singhu, Ghazipur, Tikriand entire vicinity, where the famers are protesting against the farm laws and consequent thereto, set-aside/quash the order

dated 31.01.2021 bearing no. 22016/12/2019-CIS-IV being *ultra vires* to the Constitution of India.

- v. Direct the entire media to refrain itself, from spreading hate news against the entire farmers and sikh community and tender unconditional apology for hurting the religious sentiments of the entire sikh community by terming them as terrorists and denoting their 'Nishaan Sahib' as 'Khalistani Flag'.
- vi. Constitute a judicial enquiry to submit its report on the missing farmers and call for the status report from the Police.
- vii. Direct probe by such agency, which this Hon'ble Court may deem fit and proper, in the unfortunate incident of death of a young boy namely Navreet Singh resident of Bazpur, District Udham Singh Nagar, Uttarakhand during the protest, who had allegedly sustained gunshot injury, but, in his PMR, the cause of death has been reported as "*shock and hemorrhage as a result of ant mortem head injury*" and issue appropriate direction to preserve the evidence and grant adequate protection to the eye-witnesses/s, who are narrated the incident over the social media.
- viii. Pass any such order/s or direction/s by molding and enlarging the scope of this writ petition, as this Hon'ble Court may deem fit and proper, in the interest of justice.

**LIST OF DATES**

- 10.01.2020 This Hon'ble Court held that the Right to Internet access is a Fundamental Right of citizen of India.

Against such farm laws, the famers from across the nation started protesting against these three farm laws, who were not allowed to entire inside the Delhi and were forced to raise their protest from the borders hailing towards Delhi i.e. Singhu Border being its focal point alongside Tikri Border and Ghazipur Border.

ARTICLE 19 &21 OF THE CONSTITUION OF INDIA.**

TO,  
THE HON'BLE CHIEF JUSTICES AND HIS  
COMPANION JUSTICES OF HON'BLE  
THE SUPREME COURT OF INDIA

THE HUMBLE PETITION OF  
THE ABOVE NAMED PETITIONER

1. That, instant Writ Petition (PIL) is being filed in the larger Public Interest under Article 32 of the Constitution of India for the protection of the fundamental rights guaranteed under Article 19

and 21 of the Constitution India. Vide instant petition the petitioner seeks direction to the authorities concerned to stop propagating hate news and maligning whole the Sikh Community; and also to ensure uninterrupted Internet access to all near the border, etc.

**1 A.** That, The Petitioners are law abiding citizen and practicing Advocates of this Hon'ble Court and other Courts in India and are member of the Supreme Court Bar Association, New Delhi,. The Petitioner No. 1 is presently residing at B-3, LGF, Jangpura Extension, New Delhi-110014, email: spsajmani@gmail.com, Mobile No.+91 9927000010;UID No.282802478264 and PAN No.AJHPA3210E, having annual income of about 09 Lakh (Nine Lakh only) and the Petitioner No. 2 is permanent resident of Baba Shyam Singh Colony, Hanumangarh JN,Hanumangarh, Rajasthan- 335512, email: nandapushpinder@gmail.com, Mobile No.+91 9015760666;UID No. 737225587108 and PAN No. FIQPS5659G, having annual income of about 07 Lakh (Seven Lakh only).

**1 B.** That, the petitioners feel bestowed with the responsibility to seek the kind indulgence of this Hon'ble Court for protection of the fundamental rights of their fellow citizens, which is being infringed by an illegal design framed by the Government of India to throttle

the voices of poor farmers, waging battle against the three farm laws by making peaceful protest.

**1 C.** That, since the fundamental right of freedom of speech and expression, and right to live with dignity protected under Article 19 and 21 is curtailed by the action of the Government. Therefore, indulgence of this court expedient.

**1 D.** That, since the authorities required to be approached are respondents here, and in the view of nature of injury to the fundamental rights of the citizens, there lies imminent urgency for the intervention of this Hon'ble Court, so that fundamental rights of citizens be restored, therefore, the petitioners are constrained to move this Hon'ble Court, directly, under the power conferred under Article 32 of the Constitution, therefore, this PIL.

of society and the citizen at large.

**1 G.** That, cause of action arose on 29.01.2021 when Home Ministry shut down the internet services vide order 29.01.2021 which has been further extended under the order dated 31.01.2021 bearing no.22016/12/2019-CIS-IV, approved by Union Home Secretary and passed by Deputy Secretary, Ministry of Home Affairs, as Reference Letter bearing no.3304/X-Spl. Cell from C.P. Delhi. The Petitioners feel aggrieved to learn that the Government of India had prohibited/suspended the access of internet facility at the borders, where the farmers are protesting, which is sheer violation to the fundamental rights of a citizen. The cause of action continues to accrue in as much as the protest of the farmers is still going against the farm laws and there is need to ensure adequate protection and uninterrupted supply of basic amenities and excess to internet.

**1 H.** That, the 'State' being guardian of fundamental rights guaranteed under Part-III of the Constitution of India, suspension of internet order issued by the Ministry of Home Affairs is a gross misuse of power by the Central Government and is causing disruption to individuals in exercising their fundamental rights in the adjoining areas and also of the protestors in violation of the Fundamental Right conferred under Article 19 (1) (a) and 21.

- 1 I. That, respondents No.1 to 4, and 6 are Government entities and are necessary parties; whereas Respondent No.5 is necessarily to be impleaded for the effective adjudication of the case.

- 1 K. That, all the documents annexed herewith are true copy of its original and are available in public domain

2. **FACTS OF THE CASE:**

1. That, though, the Petitioners are conscious of the fact, this Hon'ble Court has been pleased to stay those farm laws and had also formed a committee and mediation talks are also underway.

True copy of order dated 12.01.2021 passed by this Hon'ble Court in Writ Petition (Civil) No. 1118/2020 '*RakeshVaishnav and Ors. v. Union of India and Ors.*' is annexed herewith as **Annexure No. P/1 at Pages( 26 – 36 )**

2. That, however, the Petitioners are aggrieved by the propaganda and hate news being published by some of the news channels (*like AajTak, Republic Bharat, ABP news etc.*) and over the social networking sites (*like Twitter, YouTube,*

*Facebook, WhatsApp, Instagram etc.)* spreading hate against the entire Sikh community for the alleged mis-deeds and sinful acts of the few elements.

3. That, on 72<sup>nd</sup> Republic Day i.e. 26<sup>th</sup> January, 2021 certain unprecedented incidents took place at the vicinity of our national heritage – Lal Quila at Delhi by some elements. A place adjacent to Gurudwara Sheesh Ganj Sahib, where Shri Guru Teg Bahadur Sahib (*9<sup>th</sup> Sikh Guru and father of Guru Govind Singh Ji*) was martyred for the cause of humanity. However, the said incidents that took place on 26<sup>th</sup> January, 2021 appear to be highly motivated and a pre-planned attempt to throttle the voices of the poor farmers, who were protesting against the farm laws for more than 60 days facing all odds.
4. That, though, the alleged sinful act/s was committed by few elements, but the entire Sikh community is being blamed, criticized and defamed by some of the news channels for their unlawful gains and oblique motives. They are adamant to spread hate against the entire Sikh community and have even gone to the extent of terming the NISHAAN SAHIB (*a holy flag of Sikh community, which is hosted at all Gurudwaras*) as Khalistani Flag.

5. That, petitioners and other fellow citizens having faith on Sikhism and Sikh Gurus, which is recognized for their sacrifices and selfless services for the nation are badly perturbed and troubled to note the indifferent acts of these media channels, which has wide circulations nationally and internationally.
6. That, the hate news published by them has been causing irreparable loss and injury to the entire Sikh community which cannot be compensated in any manner. The social networking sites where fake hate news is allowed to be published, is also deterrent to our society. If, the hate news/publications against the Sikh community are not stopped immediately, it might result into dastardly situation and may bring disharmony in the entire country.
7. That, after the alleged incident on 26<sup>th</sup> January 2021; there had been reports of atrocity being faced by the protestors, which had wide circulation over the social media, which could not have been otherwise possible without the uninterrupted internet excess
8. That, to the utter shock, now the Government had issued a horrifying order thereby suspending the excess to internet, in

sheer violation to the fundamental rights of the farmers, public at large including the students residing in the nearby vicinity. The order of suspension of internet is absolute denial of freedom to speech also. Internet is the only medium left, where through these farmer can raise their voices against the illegal acts. Any attempt to throttle the voice of the protestors must be dealt with iron hands. Thus, the petitioners have been constrained to seek immediate indulgence of this Hon'ble Court. True copy of order dated 31.01.2021 bearing no. 22016/12/2019-CIS-IV is annexed herewith as **Annexure No. P/2 at Pages ( 37 )**

9. That, access to internet is a Fundamental Right conferred under Article 19 (1) (a) and 21 of the Constitution of India, as held by this Hon'ble Court in *Anuradha Bhasin v. Union of India (2020) 3 SCC 637* and *Foundation for Media Professionals v. Union Territory of Jammu and Kashmir and Another (2020) 5 SCC 746*.
10. That, fundamental Rights of a citizen cannot be curtailed in such a casual fashion, just because the huge numbers of people are raising their voices against the Government. It would be apt to note at this juncture that some of the media

channels are spreading hate and fake news and is just showing the news from the angle suitable to the Government and not the true and impartial news. By restraining the use of internet, the Governments are trying to make a feeble attempt to preclude the farmers and real journalists to bring the true picture before the nation.

11. That, the Petitioners have also learnt that the Government is making all possible attempts to disrupt the basic amenities such as food, water and electricity to the farmers, protesting against the farm laws. There have been hygienic issues, which would be hazardous to health issues.
12. That, further the Petitioners are shocked to learn that the authorities have installed iron nails and have done barricading to block the ways of the people intending to join the protest, which is totally unconstitutional. Right to protest and fair criticism cannot be curtailed in a democratic system. India has the biggest democratic system in the World. Such an action of the Government is liable to be deprecated.
13. That, thus kind intervention of this Hon'ble Court is immediate required.

14. That, under the garb of security, the Government intends to throttle the voice of the protestors. Firstly, an attempt was made to tarnish the repute of the entire sikh community and the farmers by denoting them as ‘terrorist’ or ‘Khalsitani’. Then, an attempt was made to remove the protesting farmers from the protest sites by use of Government Machinery, which was also failed. Then, the Government used its machinery to prosecute the famers. Large numbers of protestors were sent to Jail and some of the farmers are still missing. Government machinery had miserably failed to note the grief of the families of the missing persons/children. Then, the Government tried to preclude the farmers from the basic amenities such as food, water and electricity etc. There have been hygienic issues relating to toilets etc. Subsequently, some peoples were allegedly seen at the protest site claiming them to be the residents of nearby places, who tried to attack the famers and have seen throwing stones upon them, in the presence of the Police/Security deployed there. However, no action was taken against them. Now, in order to further victimize and throttle the voice of the poor farmers, an order of suspension of internet has been passed over the vicinity,

where the farmers are protesting, in sheer violation of fundamental rights and human rights.

15. That, the streamline media appears to be highly biased and influenced by the Government and has been spreading fake and hate news, which would be deterrent to our society and may lead to disharmony and communal hate.
16. That, Petitioners want to draw attention of this Hon'ble Court, that a young boy namely Navreet Singh resident of Bazpur, District Udham Singh Nagar, Uttarakhand died during the protest, who had allegedly sustained gunshot injury, which is *prima facie* evident from various videos, which went viral in the social networking sites. However, in his PMR, the cause of death has been reported as "*shock and hemorrhage as a result of ant mortem head injury.*" There is need to perverse the evidence and provide adequate security to the eye-witness/s. This is very vital issue and requires immediate indulgence of this Hon'ble Court.
17. That, to sum up, the Petitioners being lawyers of this Hon'ble Court are seeking indulgence of this Hon'ble Court in a most emergent situation, which has arisen in the aforesaid peculiar facts and circumstances, where the fundamental and human

rights of the protesting farmers are being infringed without any cogent reasons. It appears that '*protectors have become predator*', which is deterrent to our democratic set-up. In order to uphold the Rule of Law and high sanctity of our judicial system, justice must not be delivered to all but it must appear to have been delivered.

18. **Hence, this Writ Petition.**

- G.** BECAUSE if, the hate news/publications against the Sikh community are not stopped immediately, it might result into dastardly situation and may bring disharmony and communal hate.
- H.** BECAUSE, after the alleged incident on 26<sup>th</sup> January 2021; there had been reports of atrocity being faced by the protestors, which had wide circulation over the social media, which could not have been otherwise possible without the uninterrupted internet excess.
- I.** BECAUSE, to the utter shock, now the Government had issued a horrifying order thereby suspending the excess to internet, in sheer violation to the fundamental rights of the famers, public at large including the students residing in the nearby vicinity.
- J.** BECAUSE the order of suspension of internet is absolute denial of freedom to speech also. Internet is the only medium left, where through these farmer can raise their voices against the illegal acts. Any attempt to throttle the voice of the protestors must be dealt with iron hands.

- K.** BECAUSE, excess to internet is a Fundamental Right conferred under Article 19 (1) (a) and 21 of the Constitution of India, as held by this Hon'ble Court in *Anuradha Bhasin v. Union of India (2020) 3 SCC 637* and *Foundation for Media Professionals v. Union Territory of Jammu and Kashmir and Another (2020) 5 SCC 746*.
- L.** BECAUSE, fundamental Rights of a citizen cannot be curtailed in such a casual fashion, just because the huge numbers of people are raising their voices against the Government.
- M.** BECAUSE it would be apt to note at this juncture that some of the media channels are spreading hate and fake news and is just showing the news from the angle suitable to the Government and not the true and impartial news.
- N.** BECAUSE by restraining the use of internet, the Government is trying to make a feeble attempt to preclude the farmers and real journalists to bring the true picture before the nation.
- O.** BECAUSE, the Petitioners have also learnt that the Government is making all possible attempts to disrupt the basic amenities such as food, water and electricity to the farmers, protesting against the farm laws. There have been hygienic issues, which

would be hazardous to health issues.

- P.** BECAUSE, further the Petitioners are shocked to learn that the authorities have installed iron nails and have done barricading to block the ways of the people intending to join the protest, which is totally unconstitutional.
- Q.** BECAUSE the Right to Protest and fair criticism cannot be curtailed in a democratic system. India has the biggest democratic system in the World. Such an action of the Government is liable to be deprecated.
- R.** BECAUSE, under the garb of security, the Government intends to throttle the voice of the protestors. Firstly, an attempt was made to tarnish the repute of the entire sikh community and the farmers by denoting them as ‘terrorist’ or ‘Khalsitani’. Then, an attempt was made to remove the protesting farmers from the protest sites by use of Government Machinery, which was also failed. Then, the Government used its machinery to prosecute the famers. Large numbers of protestors were sent to Jail and some of the farmers are still missing. Government machinery had miserably failed to note the grief of the families of the missing persons/children. Then, the Government tried to preclude the farmers from the basic amenities such as food,

water and electricity etc. There have been hygienic issues relating to toilets etc. Subsequently, some peoples were allegedly seen at the protest site claiming them to be the residents of nearby places, who tried to attack the famers and have seen throwing stones upon them, in the presence of the Police/Security deployed there. However, no action was taken against them. Now, in order to further victimize and throttle the voice of the poor farmers, an order of suspension of internet has been passed over the vicinity, where the farmers are protesting, in sheer violation of fundamental rights and human rights.

- S. BECAUSE, the streamline media appears to be highly biased and influenced by the Government and has been spreading fake and hate news, which would be deterrent to our society.
  
- T. BECAUSE, the Petitioners also want to draw attention of this Hon'ble Court, that a young boy namely Navreet Singh resident of Bazpur, District Udham Singh Nagar, Uttarakhand died during the protest, who had allegedly sustained gunshot injury, which is *prima facie* evident from various videos, which went viral in the social networking sites. However, in his PMR, the cause of death has been reported as "*shock and hemorrhage as a result of ant mortem head injury.*" There is need to perverse

the evidence and provide adequate security to the eye-witness/s.

This is very vital issue and requires immediate indulgence of this Hon'ble Court.

U. BECAUSE, to sum up, the Petitioners being lawyers of this Hon'ble Court are seeking indulgence of this Hon'ble Court in a most emergent situation, which has arisen in the aforesaid peculiar facts and circumstances, where the fundamental and human rights of the protesting farmers are being infringed without any cogent reasons. It appears that '*protectors have become predator*', which is deterrent to our democratic set-up. In order to uphold the Rule of Law and high sanctity of our judicial system, justice must not be delivered to all but it must appear to have been delivered.

#### **4. PRAYERS:**

In view of the facts and circumstances stated aforesaid, it is most respectfully prayed that this Hon'ble Court may graciously be pleased to:

- i. Direct the authorities to ensure safety and protection of the farmers, who are protesting at the borders of the points i.e. Singhu, Ghazipur, Tikri, in the interest of justice.

- ii. Direct the authorities to ensure hygienic atmosphere and uninterrupted supply of basic amenities such as food, water and electricity etc. at the border points i.e. Singhu, Ghazipur, Tikri, where the farmers are protesting, in the interest of justice.
- iii. Direct the authorities to remove the iron nails and cemented barricades etc. which has been illegally installed to stop the farmers' ingress and egress from the place of protest i.e. border and any other places, to meet the ends of justice.
- iv. Direct the authorities/Governments to ensure an uninterrupted Internet Excess at the entire border points i.e. Singhu, Ghazipur, Tikri and entire vicinity, where the farmers are protesting against the farm laws and consequent thereto, set-aside/quash the order dated 31.01.2021 bearing no. 22016/12/2019-CIS-IV being *ultra vires* to the Constitution of India.
- v. Direct the entire media, to restrain itself from spreading hate news against the entire farmers and sikh community and tender unconditional apology for hurting the religious sentiments of the entire sikh community by terming them as terrorists and denoting their '*Nishaan Sahib*' as '*Khalistani Flag*'.
- vi. Constitute a judicial enquiry to submit its report on the missing farmers and call for the status report from the Police.

- vii. Direct probe by such agency, which this Hon'ble Court may deem fit and proper, in the unfortunate incident of death of a young boy namely Navreet Singh resident of Bazpur, District Udham Singh Nagar, Uttarakhand during the protest, who had allegedly sustained gunshot injury, but, in his PMR, the cause of death has been reported as "*shock and hemorrhage as a result of ant mortem head injury*" and issue appropriate direction to preserve the evidence and grant adequate protection to the eye-witness/s, who are narrated the incident over the social media.
- viii. Pass any such order/s or direction/s by molding and enlarging the scope of this writ petition, as this Hon'ble Court may deem fit and proper, in the interest of justice.

AND FOR THIS ACT OF KINDNESS THE PETITIONER AS IN DUTY BOUND SHALL FOREVER PRAY.

UPON hearing the counsel the Court made the following  
O R D E R

1. Applications for impleadment and intervention are allowed.
2. We have before us, three categories of petitions, all revolving around the validity or otherwise of three laws *namely*: (1) Farmers' Produce Trade and Commerce (Promotion and Facilitation) Act, 2020; (2) Essential Commodities (Amendment) Act, 2020; and (3) Farmers (Empowerment and Protection) Agreement on Price Assurance and Farm Services Act, 2020, (hereinafter referred to as the '*farm laws*'), and the protest by farmers against these laws.
3. One category of petitions challenge the constitutional validity of the farm laws. Included within this category of petitions, is a petition under Article 32 challenging the validity of the Constitution (Third Amendment) Act, 1954, by which Entry 33 was substituted in List III (concurrent list) in the Seventh Schedule of the Constitution, enabling the Central Government also to legislate on a subject which was otherwise in the State List.
4. Another category of petitions are those which support the farm laws on the ground that they are constitutionally valid and also beneficial to the farmers. The third category of petitions are those filed by individuals who are residents of the National Capital Territory of Delhi as well as the neighbouring States, claiming that the agitation by farmers in the peripheries of Delhi and the consequent blockade of roads/highways leading to Delhi, infringes the fundamental rights of other citizens to move freely

throughout the territories of India and their right to carry on trade and business.

5. Though several rounds of negotiations have taken place between the Government of India and the farmers' bodies, no solution seems to be in sight. The situation on ground is: (i) that senior citizens, women and children are at site, exposing themselves to serious health hazards posed by cold and covid; (ii) that a few deaths have taken place, though not out of any violence, but either out of illness or by way of suicide.

6. Laudably, the farmers have so far carried on the agitation peacefully and without any untoward incident. But it was pointed out in the course of hearing that a few persons who are not farmers have also joined, with a view to show solidarity with the farmers. An apprehension was expressed that the possibility of some persons creating trouble cannot be entirely ruled out. In fact, a specific averment is made in an intervention application filed by one Indian Kisan Union, in I.A. No.3324/2021 in W.P.(C) No.1441/2020 that an organisation by name "Sikhs for Justice", which is banned for anti-India secessionist movement is financing the agitation. This averment is supported by the learned Attorney General also.

7. A few farmers' bodies who are now protesting, have engaged a team of lawyers comprising of Shri Dushyant Dave, Shri Colin Gonsalves, Shri H.S. Phoolka and Shri Prashant Bhushan to represent their cause. When Shri K.K. Venugopal, learned Attorney General submitted that there are reports that the farmers bodies may take out a tractor rally on January 26, 2021, disrupting the Republic Day Parade and celebrations, the same was stoutly denied by Shri

Dushyant Dave, learned senior counsel appearing for a few of the farmers' bodies on the ground that at least one member of the family of each of the farmers from Punjab is in the Army and that they would not disrupt the Republic Day celebrations. However, today this team of lawyers is absent.

8. Be that as it may, the negotiations between the farmers' bodies and the Government have not yielded any result so far. Therefore, we are of the view that the constitution of a Committee of experts in the field of agriculture to negotiate between the farmers' bodies and the Government of India may create a congenial atmosphere and improve the trust and confidence of the farmers. We are also of the view that a stay of implementation of all the three farm laws for the present, may assuage the hurt feelings of the farmers and encourage them to come to the negotiating table with confidence and good faith.

9. When we put across the above suggestions, the learned Attorney General, even while agreeing for the constitution of a Committee, opposed vehemently, the grant of any interim stay of the implementation of the farm laws. Drawing our attention to the law laid down by this Court in (1) Bhavesh D. Parish & Ors. vs. UOI & Anr.<sup>1</sup>; (2) Health For Millions vs. UOI & Ors.<sup>2</sup>; (3) State of UP & Ors. vs. Hirendra Pal Singh & Ors.<sup>3</sup>; (4) Siliguri Municipality & Ors. vs. Amalendu Das & Ors.<sup>4</sup>, the learned Attorney General contended that the Court should not stay the implementation of the

<sup>1</sup> 2005 (5) SCC 471

<sup>2</sup> 2014 (14) SCC 496

<sup>3</sup> 2011 (5) SCC 305

<sup>4</sup> 1984 (2) SCC 436

laws. He argued that none of the petitioners who have attacked the farm laws have pointed out any single provision which is detrimental to the farmers and that the laws enacted by Parliament cannot be stayed by this Court, especially when there is a presumption in favour of the constitutionality of legislation.

10. Though we appreciate the aforesaid submission of the learned Attorney General, this Court cannot be said to be completely powerless to grant stay of any executive action under a statutory enactment. Even very recently this Court passed an interim Order in *Dr. Jaishri Laxmanrao Patil Vs. The Chief Minister & Anr.* (Civil Appeal No.3123 of 2020) directing that admissions to educational institutions for the Academic Year 2020-21 and appointments to public services and posts under the Government shall be made without reference to the reservation provided under the impugned legislation.

11. As a matter of fact, some of the farmers' bodies who are opposing the Farm Laws and who are represented before us through counsel, have agreed to go before the Committee. Mr. P Wilson, learned senior counsel representing one section of farmers from Tamil Nadu welcomed the proposal to stay the implementation of the Laws and the constitution of the Committee and stated that his client would go before the Committee. Similarly, Mr. A.P. Singh, learned counsel appearing for *Bhartiya Kisan Union [BHANU]* also submitted that the representatives of the Union will participate in the negotiations. He even went to the extent of saying that elders, women and children will be dissuaded from being there at the site of protest. Mr. Ajay Choudhary, learned counsel for Kisan

Maha Panchayat, submitted that the farmers from Rajasthan, who are protesting at the border of Rajasthan, are willing to appear before the Committee and air their grievances.

12. Mr. V. Chitambaresh, learned senior counsel, appearing for Bhartiya Kisan Sangh, the applicant in IA No. 136682/2020 in WP[C] No. 1118/2020 submitted that the Union which he represents is not aggrieved by the Farm Laws. Mr. Sridhar Potaraju, learned counsel appearing for the the Consortium of Indian Farmers Association (CIFA) submits that his client represents 15 farmers' unions across 15 States and that they will be badly affected if a stay of the implementatoin of the Farm Laws is ordered. This is for the reason that the farmers whom he represents, cultivate fruits and vegetables and that about 21 million tonnes of fruits and vegetables will rot, if anything is done at this stage.

13. Insofar as the apprehension regarding MSP [Minimum Support Price] being done away with, it is submitted across the Bar that the same may not be dismantled. The learned Solicitor General also confirmed that there are inherent safegeguards, in-built in the Farm Laws, for the protection of the land of the farmers and that it will be ensured that no farmer will lose his land.

14. Having heard different perspectives, we deem it fit to pass the following interim Order, with the hope and expectation that both parties will take this in the right spirit and attempt to arrive at a fair, equitable and just solution to the problems:

- (i) The implementation of the three farm laws 1) Farmers' Produce Trade and Commerce (Promotion and Facilitation) Act, 2020; (2) Essential Commodities (Amendment) Act, 2020; and (3)

Farmers (Empowerment and Protection) Agreement on Price Assurance and Farm Services Act, 2020, shall stand stayed until further orders;

(ii) As a consequence, the Minimum Support Price System in existence before the enactment of the Farm Laws shall be maintained until further orders. In addition, the farmers' land holdings shall be protected, i.e., no farmer shall be dispossessed or deprived of his title as a result of any action taken under the Farm Laws.

(iii) A Committee comprising of (1) Shri Bhupinder Singh Mann, National President, Bhartiya Kisan Union and All India Kisan Coordination Committee; (2) Dr. Parmod Kumar Joshi, Agricultural Economist, Director for South Asia, International Food Policy Research Institute; (3) Shri Ashok Gulati, Agricultural Economist and Former Chairman of the Commission for Agricultural Costs and Prices; and (4) Shri Anil Ghanwat, President, Shetkari Sanghatana, is constituted for the purpose of listening to the grievances of the farmers relating to the farm laws and the views of the Government and to make recommendations. This Committee shall be provided a place as well as Secretarial assistance at Delhi by the Government. All expenses for the Committee to hold sittings at Delhi or anywhere else shall be borne by the Central Government. The representatives of all the farmers' bodies, whether they are holding a protest or not and whether they support or oppose the laws shall participate in the deliberations of the Committee and put forth their view points. The Committee shall, upon hearing the Government as well as the representatives of the farmers' bodies, and other stakeholders, submit a Report before this Court containing its recommendations. This shall be done within two months from the date of its first sitting. The first sitting shall be held within ten days from today.

15. While we may not stifle a peaceful protest, we think that this extraordinary order of stay of implementation of the farm laws will be perceived as an achievement of the purpose of such protest at least for the present and will encourage the farmers bodies to convince their members to get back to their livelihood, both in order to protect their own lives and health and in order to protect the lives and properties of others.

16. List the matters after eight weeks.
